LEADERSHIP COMPETENCIES

Awareness & Insight

Siimon Reynolds shares his 6 "Traits of Awesome Leaders," including being a "Growth Mindsetter" and using others' ideas to gain success.

Building High Performing Teams

Building Networks

Think of a recent mistake you made and, using Siimon's "Growth Mindsetter" approach, reflect on how you can self-correct and refine your skill for the future: _____

Building Trust

Business & Financial Acumen

Coaching & Mentoring Others

Communication & Listening

What is one of your greatest priorities right now? _____

Driving for Results

Influence & Diplomacy

Consider what others have done in relation to your priority. How can you use others' ideas to help in your approach? _____

Risk Taking

Strategic Thinking & Visioning

Taking Initiative
